Flat Cats Essentials Order Form

Flat Cats essentials are extra packets of window fixings.

Each pack contains 14 window fixings (6 are required per window so each pack of Flat Cat essentials has sufficient fixings for 2 windows plus 2 spares.

The Flat Cats product can be used on multiple windows (of the same size) and the extra pack of fixings means that you can use your Flat Cat on different windows in the house as required without the need to purchase a second Flat Cat.

Each window fixing is 5cm x 5cm. Each pack contains 14 items as detailed above. Price includes P&P.
